Review of Hopsitalar 2022

From May 17th to 20th, our business partners help us attend the exhibition of Hospitalar in Brazil. The exhibition lasted for 4 days. Our partners received inquiries on the

booth of Sao Paulo Expo Center. Our popular ICU bed, patient transportation trolley, dialysis chair and computer cart were displayed there. Meanwhile, our partners took

beautiful photos for us. We would like to thank them for sharing this wonderful journey with us.

In brief

Our Celebrating Activity of Women's Day

In order to celebrate women's Day, our company held two activities on the afternoon of March 8th. Our female employees actively participated in both activities. We made the flowers and cakes with our own hands and wisdom. Everyone enjoyed the process.

Happy Labour Day

We actively celebrated this meaningful occasion and thank our employees for their continuous efforts. The development of the company is inseparable from the contribution of every employee. It was also a good chance for them to enjoy their holidays.

The Newest General Catalogue in English Version

After upgrading the beds and trolleys, we have added many new products to the general catalogue. The English version of the catalogue is now completed. All of our continuous innovation and changes are to meet customers' requirement.
